BROADWAY
IN BLACK

CREATED & ADAPTED BY NATE JACOBS
JUNE 21-JULY 23, 2017

Broadway musicals have charmed the world for decades. This summer, WBTT salutes that genre with an original revue by Nate Jacobs.

Sing along with your favorite songs from award-winning shows and breakthrough roles that helped launch the careers of such Black artists as Melba Moore in Purlie, Ben Vereen in Pippin, Jennifer Holliday in Dreamgirls, and Nell Carter in Ain't Misbehavin'.

It's Broadway, WBTT style...electrifying!
